

Jump start your next search with Missed Offer Alternative.

Imagine having a virtual assistant running your favorite SmartAuction searches for you. With SmartAuction's **Missed Offer Alternative** feature, this is reality. Based on your past bidding, offer and purchase experience, SmartAuction can send notifications to generate **smarter, personalized vehicle recommendations**. With two daily auctions Monday through Friday, you can better source the right vehicles – anytime, anywhere.

SmartAuction Missed Offer Alternative.

Personalized: Intelligent algorithms determine recommendations based on past bidding and purchase behavior.

Customized: Built on individual user activity, recommendations can make it easier to search available inventory.

Efficient: Quickly find the vehicles you are looking for with email notifications.

Complete: As more bidding activity is introduced, your experience becomes more accurate and effective to increase buying opportunities.

Getting recommendations is easy – start bidding today!

- Log in to **SmartAuctionlogin.com**.
- Select **More**, then **Profile and Settings**.
- Under **My Alerts and Notifications**, click **Buy**.
- Select **Missed Offer Alternative** and **Save** to activate.
