

Commercial Vehicle Multi-Asset eContracting

eContracting multiple units has never been this easy.

Multiple vehicles. One eContract.

With Multi-Asset eContracting¹, financing multiple vehicles with Ally has never been more convenient. Move to paperless contracting and further increase efficiency with benefits that include:

- Convenient electronic signing for **1-100** vehicles on one eContract.
- Full eContracting capabilities within the Ally Business Vehicle Financing portal, including **attaching documents**.
- Paperless documents automatically transferred to Ally funding, **eliminating the need to print and mail**.
- Accessibility on your PC, phone, and tablet.
- **80% reduction in signatures** and a **10x reduction in pages**.
- **A streamlined eContracting process** to fit your business customers' needs.

Straightforward registration.
