This means that if a component is not listed, it is covered. - Service for eligible repairs at thousands of licensed facilities across the U.S. and Canada
- 24/7 roadside assistance, trip interruption^{1,2} and alternate transportation
- The ability to upgrade to Major Guard/Major Guard EV coverage with a \$0 or \$250 disappearing deductible option; the \$250 disappearing deductible option allows you to waive your deductible when you return to the dealer from whom you purchased your Major Guard/Major Guard EV plan for covered repairs (or a dealership that is affiliated with the selling dealership and has been registered as such).
